

I want to pay the yearly subscription but I already have a monthly subscription. What do I do?

How to change your subscription type

Log into your back office at [www.cashtrackingsystem.com](http://www.cashtrackingsystem.com). Once in your account, locate the STATUS line in your Member Information area. Just to the right of your Status, will be the word UPGRADE in parentheses. Click there and you will be taken to the payment page where you will be able to make your subscription payment and change your subscription to Annual.
